

Information on control of entrance gate and entrance gate from 1.9.2021

Wicket (pedestrians):

- When coming from the street, use the chip or the EVVA Airkey application to open the wicket.
- To leave the premises, use the contactless exit button EXIT to open the wicket.

Gate (by car):

Entry for parking lot tenants

a) **Through the vehicle license plate** - cameras at the entrance gate will be able to distinguish vehicle license plates, if the system lists the license plate of the tenant who will park in the area, the gate will open automatically, for this option the tenant must notify the landlord of the license plate of his vehicle

b) **Via the GSM gateway** - the tenant connects via his mobile phone with the gate opening system and the gate opens the gateway, the connection will take place by dialling a phone number **+420 727 946 454** (the system will not connect a phone call, but will only register an incoming call from the mobile phone), for this option the tenant must notify the landlord in advance of the list of telephone numbers that will be used to open the gate.

Entrance to visiting places (Nos. 63 and 64)

It is possible only after prior reservation by e-mail: správce@rezidencestaropramenna.cz, which can be made no later than 24 hours before the requested entrance, and only on weekdays. For capacity reasons, it is possible that reservations will not be possible if the seats are occupied. When reporting the entrance, it is necessary to indicate the date of entry, the name of the visitor (person or the name of the company), the purpose of the entrance, the name of the tenant/client of the entrance, the planned arrival and the planned departure. Parking in 2 reserved parking spaces is possible for a maximum of 120 min. free of charge. After exceeding this time limit, i.e. from the 3rd hour started to the 24th hour after the entry of the vehicle, the parking fee will be charged at a total uniform rate of CZK 500.00 including VAT. Payment of parking fee will be invoiced to the tenant/customer of parking at visiting places. This tenant/customer is also liable for the timely departure of the reported person.

The entry of wagons of parcel and delivery services (Czech Post, PPL, DPD, etc.) with bulky shipments will also be allowed only with the above reservation.

Entry without reporting will only be allowed to safety and rescue services or emergency vehicles in connection with a possible accident, e.g. an accident of water supply, electricity..

Exit - The gate opens automatically.
